WIDMER MODEL T-3

Time stamp is versatile, featuring high quality, clean crisp imprints. It is compact and offers a wide variety of desirable features.

This unique, modern time stamp features a distinctive two tone, light and dark gray finish that will complement the décor of any office. The digital time display can be synchronized with the time print mechanism.

- Instant trigger operation – you just insert the paper.
- Quick ribbon change – no mess.

A new, open throat and finger indent case feature allows for a greater accessibility; documents of letter size or small tickets can be inserted with ease. The depth of the throat can be adjusted to allow a selection of imprint locations. Stamping pressure can be electronically increased when needed to penetrate through multi-part carbon and non carbon forms. Inscriptions can be both above and below the time and date.

Additional Optional Features

- Six Sided Word Cylinder
- Military Time
- Reverse Print
- Fractional Minute
- Adjustable Trigger
- Removable Die Plates
- Master Clock Control
- Feather Touch Trigger
- Digital Display

To Operate

Simply plug into an ordinary AC lighting circuit at any point. The minutes, hours, AM and PM, and the day of the month advance automatically as well as a completely automatic ribbon.

Tamper Proof

Machine is locked with a key. Only authorized personnel can change the setting.
